[FAQ Report Card](#)

This should answer all questions on how to use the Report Card for the adoption of textbooks in Texas

TTT will be producing a similar FAQ on how to apply the Report Cards for other states, school districts or individuals who wish to use the TTT reports to affect change in their schools or school districts. (Expected completion date March 1, 2015)

All of these reviews have publishers comments on the TTT critiques. In some cases as indicated by the title, TTT has responded to the publishers replies. All of the publishers replies will be replied to by TTT in the coming weeks and these will be sent to the publishers for one last attempt to make the requested changes.

The **Houghton Mifflin Harcourt US History Since 1877** textbook review is currently undergoing final review. Initially it was not on our list but TTT was requested to do a review. While the final report is not complete, the initial review indicates levels of errors (omissions, imbalance of material presented and other factual errors) TTT elected to place an unacceptable rating on it based upon these initial findings. Upon the final review, we will post the full report on here and give the publisher an opportunity to respond to the errors identified.

The background of the entire page is a stylized, wavy Texas state flag. It features a blue vertical stripe on the left with a white five-pointed star, a white horizontal stripe in the upper right, and a red horizontal stripe in the lower right.
